

SOME OF OUR ACTIVITIES

- Conducted a situation analysis of elderly homes and care homes to understand the cause of inadequate care of elderly in TRNC. The preparation of this report was supported by the Civic Grow Programme financed by the European Union.
- We visited the relevant ministries of the state, presented our report and expressed ongoing problems.
- Raised awareness of different issues about elderly rights and mental health in the press
- Held informative seminars about issues of elderly care, rights and mental health
- We visited elderly care homes in North Cyprus and made donations.
- We have translated and reviewed the elderly care law in South Cyprus, and visited an elderly care home in South Cyprus and compared it with North Cyprus.

JOIN US

If you want to be the voice of the elderly and people with mental disorders in society and fight with us to solve their problems,
If you want to help other families by sharing your experiences and awareness gained by caring for your relatives,
If you want to destroy prejudice, stigmatization and false information about people who are not mentally healthy,
If you want to be informed about the latest developments in elderly care and mental health,

Please contact us to become a member.
